Woman Tied, Gagged and Robbed at Home!

Starring **Monique Shay**

(T&G News Service) A local woman, Monique Shay, was chloroformed, bound and gagged during a robbery. The victim said that she could not identify the robber because he was masked and she was blindfolded with the silk scarf she was wearing. The victim reported that jewelry was taken. Ms. Shay told T&G "I was fortunate that he only had robbery on his mind. The worst part of the ordeal was being gagged. I wanted to scream so bad, but all I could do was chew on that damn gag! My boyfriend doesn't gag me that effectively when we play. Oh, I didn't mean to tell you that last part "
