### **Robber Ties and Gags Woman with Her Own Scarves**

Starring Peaches and Nikki Steele

**(T&G News Service) A local hotel visitor discovered a new meaning to "tying one on." The fashionable out-of-towner was accosted by a robber after returning to her hotel room. Miss Peaches told T&G "I came in and she was just there. She put a cloth over my mouth and I couldn't stay awake. When I came to there I was...all tied up in with my silk scarves. If she comes back, I'll be ready for her!"**
